OPEN-001 (was PA1516US)

## REMARKS

### *Status of the Application:*

Claims 1-3 are the claims of record of the application.

### *Change of Order of Inventorship*

Applicants have changed the order of the inventorship. A supplementary declaration is attached.

### *Change of Docket Number*

Applicants have again requested a change of docket number. A separate letter is attached.

### *Amendment to the Drawings*

Applicants have amended the drawings to correct one or more typographical errors. No new matter is being added.

In particular, FIGs. 4-7 have been amended to correct the reference numeral 304 which, as is clear in the specification, is 404-704 in FIGs. 4-7, respectively. Furthermore, amended FIG. 5 also differs from FIG. 5 as filed in that the text "Element Primary Kay Data Field 505" has been moved up such that the underlining under the "505" is not obscured by a grid line of the table.

### *Amendment to the Specification*

Applicants have amended the specification to correct typographical errors. No new matter is being added.

### *Amendment to the Claims:*

Prior to examination, Applicants have cancelled claims 1-3 and added claims 4-23.

### *Conclusion*

Reconsideration and further examination is respectfully requested.
